As the bona fide owner of the above mentioned property, which is a single residence, and which is, or will be on completion, my place of residence and no part of which is used for rental or commercial purposes, nor is now completed for such purpose, I hereby make application for a Home Owners Permit.

I certify I am familiar with the provisions of the Building, Mechanical, Electrical and Plumbing Codes and Ordinances of Ray Township governing the type of installation which is contemplated at the above mentioned location.

In making this application, I realize I am assuming the responsibility of a Licensed Contractor for the installation of the work mentioned in the permit.

I agree to phone for an inspection before concealing any Structural, Electrical, Plumbing, and Mechanical components and to keep all parts of the installation exposed until the Building Department has accepted the installation as being in compliance with the Code requirements.

I further agree to repair within two (2) weeks time any violations on the work installed and to provide access to the premises Monday through Friday for subsequent inspections and for Final Inspection. Failure to repair violations or to provide access will subject the Permit to cancellation, in which case a Licensed Contractor must be employed to complete the work.
