INSTRUCTIONS

For Filling Out Application Form For
FIREWORKS DISPLAY PERMIT
Act 358, P.A. 1968

General

Applications shall be made only to the legislative body of the municipality, viz: the council or commission of a city or village, or the township board of a township, and any action which results in issuance of a display permit shall be a legal action of the council, commission, or board.

No permit shall be issued by any municipality for a display or use of fireworks outside the political jurisdiction of the municipality.

- Item 1** Check the applicable type of display being applied for.
- Item 2** The name here is the applicant and is to be a person or the person representing an organization, group, firm or corporation making application for the display. The applicant may also be the operator, in which case his name shall appear in both "items 2 and 3."
- Item 3** The person in charge of the requested display along with the names, addresses and ages of those who will directly assist him. The council or board shall rule on the competency and qualifications of the operator before granting any permit, and may require an affidavit from the applicant as to his experience, former pyrotechnic accidents, criminal record, sobriety, etc.
- Item 4** Calls for name and address of applicant if from outside Michigan who shall also list the name, address and telephone number of their Michigan attorney or Michigan resident agent who has been appointed by them, in writing, to be their legal representative, upon whom all process in any action or proceeding against them may be served. The applicant may also be the operator, in which case his name shall appear in both "items 3 and 4."
- Item 5** The location of any proposed display shall be specific, along with the date and time of display, subject to approval of the municipality.
- Item 6** To include the total amount of fireworks proposed for the display, such as 10 aerial bombs, 30 aerial rocket bursts, etc.
Manner and place of storage, means fireworks that are ready for display, just prior to the display in the area of exhibition and within the political jurisdiction of the municipality to whom application for permit is being made. The legislative body should consult with and obtain approval of local fire authorities for manner and place of storage before any permit is issued.
- Item 7** The amount of and proof of bond or insurance shall be as required and approved by the local governing body and shall be such as they deem necessary to satisfy claims for damages to property and personal injuries arising out of any act or omission on the part of the person, firm or corporation or any agent or employee of applicant necessary for the protection of the public. The applicant shall assure that the bond or insurance required is provided.
