SUMMER 2017

Welcome to 'The Gem', our new Township newsletter! Your source for upcoming events in Ray Township.

As the weather warms up, please keep in mind of your spring clean-up in your yards. Accumulation of junk, trash and refuse of any kind needs to be disposed of properly as to not create a nuisance. All motor vehicles should be properly licensed.

Also, keep in mind of drainage issues on your property. It is important to keep the water ways clear of debris. We are stewards of our own land.

There are many summer events being planned for all ages. Hope to see you at these events!

~Joe Jarzyna, Township Supervisor
