Richmond Lenox E.M.S. calls for Community Action
-As Blood Needs Outpace Donations-

Blood supplies in southeastern Michigan have been depleted due to emergency needs and low donor turnout. The American Red Cross and your local E.M.S. is issuing a call to action to everyone who can, to donate blood.

Traditionally, the Red Cross sees a drop in donation during the winter months due to holidays and other activities. However, the need for blood also grows during this same time period because of increased accidents and other emergencies.

At Richmond Lenox E.M.S. we encourage new and previous blood donors to join the battle against summer blood shortages. The E.M.S. will be hosting its annual summer blood drive on Thursday January 10th, 2019 at the Richmond Township Hall located at 34900 School Section Rd, Richmond MI. The hours of this blood drive will be from **9:00 AM to 7:00 p.m.**

If you cannot attend a local blood drive please make an appointment to give blood by calling 1-800-GIVE LIFE.
