County

Macomb County Veterans' Millage

If approved, this proposal will renew for four (4) years: 2023, 2024, 2025 and 2026, the current 0.069 mills levied by Macomb County that expires in 2022. This will continue funding the financial aid and services for Macomb County veterans and support the administration of the Macomb County Department of Veteran Affairs and Macomb County Veteran Affairs Commission.

Shall the 0.069 mills, (6.9 cents per \$1,000 of taxable value), be renewed for four (4) years, 2023, 2024, 2025 and 2026 inclusive, to be levied by Macomb County on taxable real and personal property for the purpose of providing financial aid and services for Macomb County Veterans and to support the administration of the Macomb County Department of Veteran Affairs and Macomb County Veterans Affairs Commission? It is estimated that a levy of 0.069 mills will raise approximately \$2,403,108 in the first calendar year of the levy. For example, on a property having a residential market value of \$100,000 (estimated taxable value of \$50,000), 0.069 mills would be \$3.45 of levied tax annually.

For the purpose of providing funds in support of public transportation serving the elderly, disabled, and general public, shall the limitation on the amount of taxes assessed on taxable property located within Macomb County be established at .65 mills for a period of five (5) years, 2022 through 2026?
